EA Cricket 07 Stroke Variation Patch V1.2 This patch fixes one issue with the game, specifically affecting slower bowlers, who are not striking the ball as fast as they should be. This patch can be used both online and offline. NOTE: You must have EA Cricket 07 to use this patch. This is just one of many patches created by The Sports Gamers that improves upon an existing game title to make it more realistic. Some other patches in our collection include "Tecmo Bowl Neck Dinger Fix", "Madden 2010 Diving Header Fix", "Championship Manager 97/98 Touchline Crossing Adjustment Patch", and more! Feel free to visit us at <http://www.thesportsgamers.com> for more! This patch replaces the original goalie AI from the game with a real-world approach that mirrors the style of goalies around today. This will give you a more realistic experience as you play out your championship season. This patch can be used both online and offline. This is just one of many patches created by The Sports Gamers that improves upon an existing game title to make it more realistic. Some other patches in our collection include "Tecmo Bowl Neck Dinger Fix", "Madden 2010 Diving Header Fix", and more! Feel free to visit us at <http://www.thesportsgamers.com> for more! Players will now keep track of the number of goals scored after they score, as opposed to just before they score. This feature can be used both online and offline.
